

JEEP® PATRIOT | 2007

# FREEDOM STARTS HERE

**INTRODUCING THE ALL-NEW 2007 JEEP® PATRIOT.** From the folks who virtually invented the SUV comes an original, next-generation representation of a genuine classic. Don't let its compact size fool you: the all-new Jeep Patriot is the real deal. Available in three models, Sport, North and Limited, it's a perfect SUV for those who love to live at the centre of their circle. Patriot's configurable interior hauls people and/or gear with equal ease. The new and powerful 2.4L four-cylinder engine boasts 172 hp and a 7.2L/100 km (39 mpg) EnerGuide Highway rating<sup>(1)</sup> when matched to the standard five-speed manual transmission and remarkable front-wheel-drive system. Go for Trail Rated™ capability with Patriot's new and available Jeep Freedom-Drive II™ 4WD system. A functional and fun interior is balanced with standard safety and security features. The exceptionally practical price makes experiencing the Jeep life a most attainable adventure. There's nothing like a true original – the all-new Jeep Patriot.

JEEP® PATRIOT LIMITED SHOWN IN STEEL BLUE METALLIC

## FROM PAVED ROADS TO BEATEN PATHS, JEEP PATRIOT CAN TAKE YOU THERE.

Patriot puts practical, purposeful capability within incredibly easy reach. A hearty front-wheel-drive (FWD) system with traction control is standard or, for light off-road duties, choose the available Freedom-Drive I™ active full-time four-wheel drive (4WD) with LOCK mode. It gives drivers year-round assurance, as well as the ability to handle rough weather and treacherous low-traction road conditions. When in 4WD LOCK mode, it can handle more severe conditions such as deeper snow and sand. For Best-In-Class off-road Trail Rated™ capability,<sup>(1)</sup> choose the available full-time Freedom-Drive II™ Off-Road Group that includes an Off-Road 4WD LOCK mode, Hill Descent Control with grade sensing features, skid plates, tow hooks, increased ground clearance, heavy-duty cooling and alternator, driver's seat height adjuster and several electronic calibrations for improved response during off-roading.

**AVAILABLE FREEDOM-DRIVE II OFF-ROAD GROUP** | CVT2L with 19:1 Crawl Ratio Feature | Off-Road Brake Traction Control | Hill Descent Control | Engine Oil Cooler | Skid Plates | Tow Hooks | Fog Lamps | 140A Alternator | Increased Ground Clearance | Driver's Seat Height Adjuster

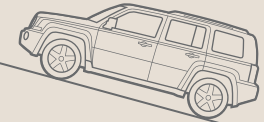

<sup>(1)</sup>When properly equipped with Freedom-Drive II™ Off-Road Group. Based on overall static scoring of available features vs. 2006 *Automotive News* Entry-level CUV segment.

Jeep Patriot vehicles equipped with the Freedom-Drive II Off-Road Group are designed to perform in a variety of off-road conditions identified by five performance categories:

**ARTICULATION:** The ability to keep tires in contact with the road, providing traction to climb over large obstacles.

**TRACTION:** The ability to transfer power down to the road or trail along with the ability of the suspension to keep the wheels in contact with the terrain.

**MANOEUVRABILITY:** The ability to navigate around obstacles that are tightly situated.

**GROUND CLEARANCE:** The ability to drive over obstacles or logs in combination with approach/departure/breakover angles.

**WATER FORDING:** The ability to cross a specific depth of water at a specific speed.

Do not attempt water fording unless properly equipped and depth is known to be less than 19 inches. Traversing water can cause damage that may not be covered by the New Vehicle Warranty. Always off-road responsibly, in approved areas.

An available Continuously Variable Automatic Transaxle (CVT2L) has a deep off-road ratio to help Patriot through water fording, rock crawling and descending steep grades.

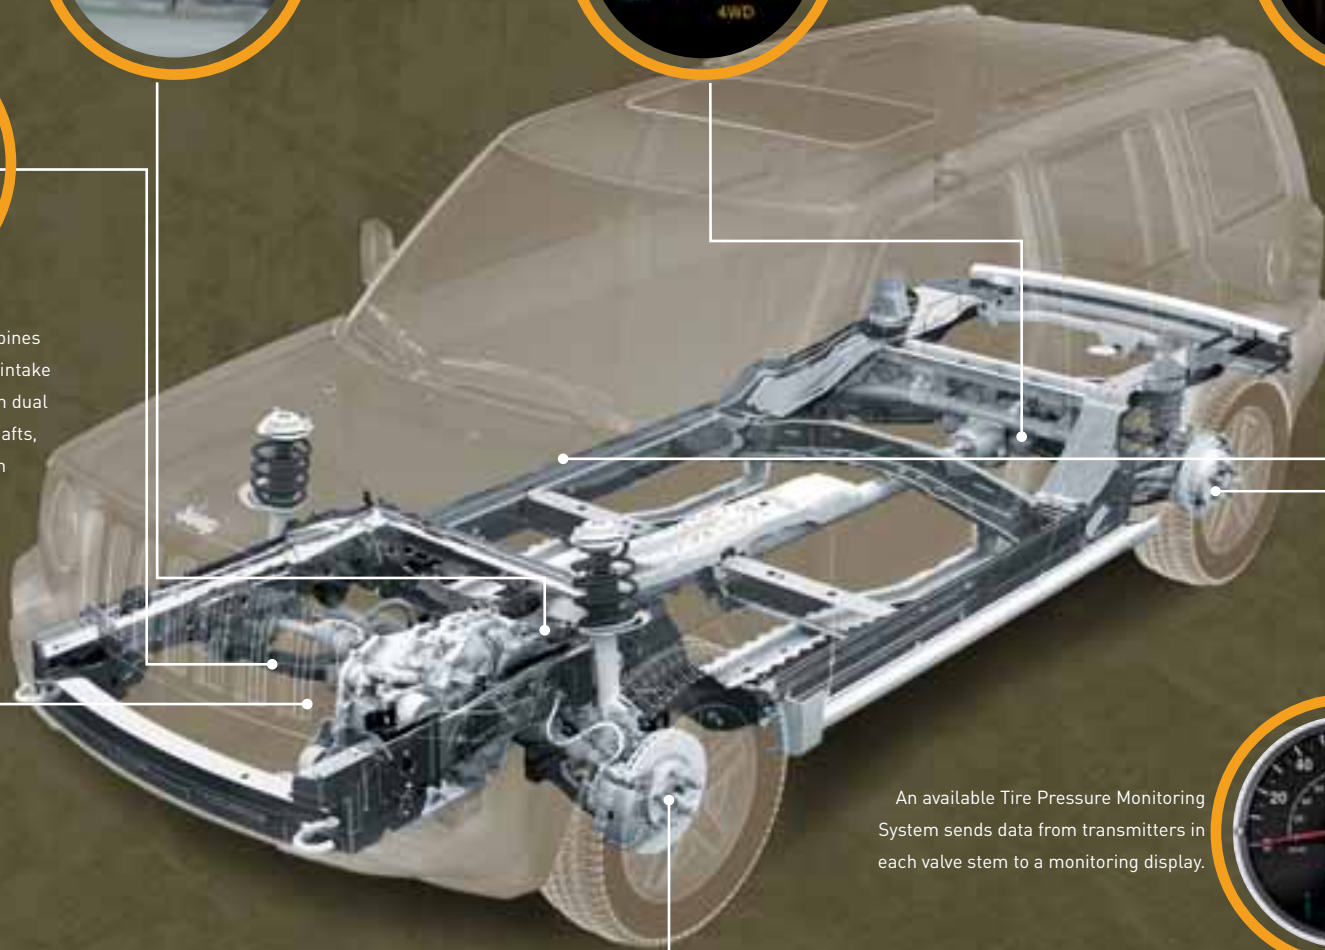

Patriot's available 4WD lockable Electronically Controlled Coupling (ECC) helps provide true 4WD capability.

When the T-shaped handle labelled "4WD LOCK" is engaged at speeds below 40 km/h, the electronically controlled coupling sends up to 60% of maximum torque to the rear axle for improved low-speed traction.

The 2.4L VVT World Engine combines Variable Valve Timing (VVT) and intake manifold flow control valves with dual overhead camshafts, balance shafts, four valves per cylinder and high compression for loads of power, fuel economy and smooth, quiet operation.

Excellent body sealing and high-mounted air intake vents help Patriot (when equipped with the available Freedom-Drive II™ Off-Road Group) ford up to 19 inches of water. See Owner's Manual.

An available Tire Pressure Monitoring System sends data from transmitters in each valve stem to a monitoring display.

The available Freedom-Drive II™ Off-Road Group features Hill Descent Control with Grade Sensing to help keep Patriot at a safe and controlled rate of speed while heading down steep grades.

CVT2 Transaxle

2.4L 16V VVT Engine

2.0L 16V VVT Engine

## ALL-NEW POWERFULLY EFFICIENT POWER PLANTS.

Patriot's standard 2.4L and available 2.0L 16-valve World Engines are high-tech and smart. Dual overhead cams and Variable Valve Timing (VVT) on both the intake and exhaust camshafts help the 2.4L engine achieve remarkable maximum ratings of 172 horsepower and 165 lb-ft of torque. By electronically controlling the camshafts, the timing is continuously adjusted to provide either maximum power or optimal fuel efficiency<sup>(1)</sup> – depending upon the demands of that instant. The available Continuously Variable Automatic Transaxles (CVT2 and CVT2L) feature an infinitely variable number of ratios that transmit a constant stream of quiet power for both optimum fuel economy<sup>(1)</sup> and high-revving highway-passing muscle when needed.

**PERFORMANCE** | Variable Valve Timing (VVT) | Dual Overhead Camshafts | Four Valves per Cylinder | Aluminum Block | Dual Balance Shafts | Forged Steel Crankshaft and Connecting Rods | Acoustic Control Oil Pan | Durability Tested to 25 Million Customer-Equivalent Kilometres | 158 Horsepower with 2.0L | 172 Horsepower with 2.4L

<sup>(1)</sup>EnerGuide fuel consumption ratings of 9.7L/100 km (29 mpg) City, 8.0L/100 km (35 mpg) Highway, for 2.4L FWD Patriot with CVT2 automatic and 9.0L/100 km (31 mpg) City; 7.3L/100 km (39 mpg) Highway for 2.0L Patriot Sport or North FWD with CVT2 automatic. Transport Canada test methods. Your actual fuel consumption may vary.

JEEP® PATRIOT LIMITED, WITH OPTIONAL POWER SUNROOF AND FREEDOM-DRIVE II™ 4WD OFF-ROAD GROUP, SHOWN IN BRIGHT SILVER METALLIC

Standard advanced multistage front air bags<sup>(1)</sup> help to provide nearly instantaneous occupant protection by adjusting air bag output to crash severity. And, standard side-curtain air bags<sup>(1)</sup> with rollover protection for outboard occupants provide additional peace of mind. (Shown here with leather-faced seating, standard on Limited.)

<sup>(1)</sup>Always use seat belts. Children 12 and under should always be in a back seat correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. <sup>(2)</sup>No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the instrument cluster flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Please always wear your seat belt.

## WHEN IT COMES TO YOUR SAFETY AND SECURITY, JEEP HAS YOU COVERED.

The all-new Jeep® Patriot shows extreme allegiance with its advanced vehicle systems, including an Electronic Stability Program (ESP™)<sup>(2)</sup> with Electronic Roll Mitigation, that helps the driver in maintaining the intended course. In addition to front air bags,<sup>(1)</sup> Patriot also comes standard with side-curtain air bags<sup>(1)</sup> for extra protection. Patriot's standard and advanced anti-lock brake (ABS) and traction control systems feature Brake Assist. The available 4WD system features special calibrations to help compensate for rough and slippery surfaces. The available Tire Pressure Monitoring System offers instant notification of high or low pressure on individual tires via an instrument panel readout. Plus, every Patriot comes with a standard Sentry Key™ Theft Deterrent System. North and Limited feature standard power windows, power mirrors, owner-programmable speed-sensitive door locks, remote keyless / illuminated entry and deep-tinted sunscreen glass for the rear side windows and liftgate.

JEEP® PATRIOT NORTH WITH OPTIONAL TIRE AND WHEEL GROUP  
AND FOG LAMPS SHOWN IN INFERNO RED CRYSTAL PEARL

Choose your view with the vent, tilt and slide power sunroof available on Limited model.

Keep your eyes on the road ahead. Patriot's sound system controls are at your fingertips when you choose the optional Premium Steering Wheel Group with a leather-wrapped steering wheel and built-in audio controls.

Another bright idea: The rear cargo area lamp on North and Limited models includes a removable/self-recharging (lithium battery-powered) flashlight so you'll never be left in the dark.

Map your way to adventure with Patriot Limited's available navigation system.\*

\*Navigation system operates only in certain metropolitan areas. See your retailer for details.

[A]

[B]

[C]

### It comes from an adventurous family.

Patriot's clever features and sound systems were designed to let you live in your very own roving sanctuary. Take your toys with you and go somewhere new to play. Patriot makes sure you enjoy the journey.

[A] The industry-exclusive available 458-watt 9-speaker Boston Acoustics® Premium Sound Group includes a subwoofer and two flip-down liftgate speakers for tailgating or your next camping trip.

[B] The available fold-flat front passenger seat opens up extra cargo space for longer items in seconds. The uniquely designed back provides a table-like surface – ideal for everything from spontaneous snacks to a mobile workstation.\*

[C] The centre console features a sliding armrest that has a rubber-lined flip pocket – perfect for cradling your MP3 player or cell phone. The standard AM/FM/CD radio provides an input jack for your MP3 player.

#### NOT SHOWN:

- Get serious about your radio programming. Patriot's factory radio has been designed to allow for available SIRIUS™ Satellite Radio. SIRIUS delivers over 100 channels, including news, information and 100% commercial-free music.
- Patriot Limited's available UConnect™ Hands-Free Communication System features voice-activated controls, thanks to Bluetooth™ technology.

\*Properly secure all cargo

JEEP® PATRIOT LIMITED SHOWN IN BRIGHT SILVER METALLIC

Jeep Patriot Limited outfitted with Driving Lights, Authentic Jeep Accessories by Mopar<sup>®</sup> (for more info, see page 26).

**JEEP PATRIOT LIMITED: SUBSTANCE AND STYLE.** It attracts attention without even trying. That's what Patriot Limited does with its standard fog lamps, 17-inch cast aluminum wheels, available sunroof and stylish touch of silver on its roof rack and front and rear bumpers. Limited also delivers an impressive dose of Jeep brand power with its standard 2.4L VVT engine with 172 hp, an anti-lock brake system (ABS) and rack and pinion power steering. Go for the strong and standard 5-speed manual transmission or upgrade to the innovative Continuously Variable Transaxle (CVT2). Opt for authentic Trail Rated™ 4WD capability with the available Freedom-Drive II™ Off-Road Group and your Limited will bear a genuine Trail Rated badge of honour.

**PATRIOT LIMITED | STANDARD** | 5-Speed Manual Transmission | Electronic Stability Program (ESP™) | Body Colour Bodyside Mouldings | Power Door Locks with Owner-Programmable Rolling Auto Lock | Remote Keyless/Illuminated Entry | Deep Tinted Rear Glass | Power Windows | Power Adjustable Mirrors | Sentry Key™ Theft Deterrent System | **AVAILABLE** | Freedom-Drive I™ 4WD System with Locking Feature | Continuously Variable Transaxle (CVT2) | Freedom-Drive II 4WD Off-Road Group Including CVT2L with Deep Off-Road Ratio

## PRIMED FOR COMFORT, PERFECT FOR GOOD TIMES.

Jeep® Patriot Limited lets you and your travel mates take on the world while sitting in style, starting with leather-faced seating, heated front seats and a leather-wrapped steering wheel with mounted audio controls. The optional Driver Convenience Group delivers what it promises with a compass, HomeLink® Universal Transmitter,<sup>[1]</sup> auto-dimming rear-view mirror, Electronic Vehicle Information Centre and Tire Pressure Monitoring System display. Patriot Limited is naturally tech-savvy and can power up cell phones and laptops with a standard 115-volt (150-watt capacity) centre console outlet or a 12-volt DC auxiliary outlet. The available audio features are equally impressive, and include a navigation system, UConnect™ Voice-Activated Hands-Free Communication System, a factory-installed SIRIUS™ Satellite Radio that includes a one-year subscription, and an enviable 458-watt 9-speaker Boston Acoustics® Premium Sound Group with flip-down liftgate speakers.

### Patriot utility that's flat-out fantastic.

Here's an SUV with plenty of heart. Jeep Patriot's configurable interior lets you come to the rescue of friends and family who might need a helping hand with their gear, moving household items or those must-have flea market finds all made possible through Patriot's:

- Clever cabin providing room for up to five adults plus gear
- Fold-flat front passenger seat, standard on Patriot North and Limited, forms a table-like surface for added cargo space
- Standard 60/40 fold-flat rear seat including a recline feature for up to 12 degrees of enhanced rear seat comfort on Patriot North and Limited. A pull tab on the outboard seatback releases for folding
- Leather-faced seating including front heated seats for warmth on cold days – soothing comfort for sore muscles and backs after a long day at work (Limited)
- Available heated front seats in YES Essentials™<sup>[2]</sup> stain and odour resistant premium seat fabric (North)
- Durable diamond plate texture UltraFloor™ vinyl cargo non-skid load floor that is removable and washable for easy cleanup
- Cargo capacity of 650L (23 cu. ft) [with the rear seat up] that expands to 1775L (62.7 cu. ft) with the front passenger seat and rear seats folded

<sup>[1]</sup>Not compatible with all garage door openers. See your retailer for details. <sup>[2]</sup>Not compatible with aftermarket fabric protecting coatings. Properly secure all cargo

Patriot North in Marine Blue Pearl

Properly secure all cargo.

**JEEP PATRIOT NORTH: IT'S ALL ABOUT BALANCE.** Whether you're talking about a campsite dinner menu or your workout routine, the goal is to achieve a balance that gives you just the right amount of everything. Look right in the middle of the 2007 Jeep Patriot lineup and that's exactly what you'll find with Patriot North. Need some extra cargo space in a hurry? You're good to go with a handy fold-flat front passenger seat and reclining rear 60/40-split seatbacks that adapt in seconds. Depending on how often you plan to tackle tough terrain, Patriot North lets you customize the level of Jeep capability with standard front-wheel drive or your choice of 4WD systems: Freedom-Drive I™ or the Trail Rated™ Freedom-Drive II™ Off-Road Package.

**PATRIOT NORTH | STANDARD** | In addition to the standard equipment on Patriot Sport, Patriot North adds: Driver's Seat Height Adjuster | Fold-Forward Front Passenger Seatback | Reclining Rear Seatbacks | Air Conditioning | Power Windows, Locks and Mirrors | Remote Keyless Entry | 115-Volt Outlet | Front Reading Lights | Removable and Rechargeable Cargo Area LED Flashlight | Passenger Assist Handles | Deep-Tint Sunscreen Glass | Body Colour Liftgate Appliqué | **AVAILABLE** | Fog Lamps | Heated Front Seats | Soft Tonneau Cover | Premium Steering Wheel Group | SIRIUS™ Satellite Radio | 17-inch Tire and Wheel Group | Trailer Tow Prep Group

JEEP® PATRIOT SPORT SHOWN IN JEEP GREEN METALLIC

## JEEP® PATRIOT SPORT: DOWN-TO-EARTH, FUN-TO-DRIVE.

Sport is built to make friends with every economy-minded adventurer. Besides its original and appealing design, it has an impressive list of standard equipment. We're talking about the stuff that kicks up your driving experience without having to add anything on. Features include: a four-wheel Anti-lock Brake System (ABS), four-wheel independent suspension, power rack and pinion steering, Electronic Stability Program (ESP™),<sup>[1]</sup> advanced multistage front and standard side-curtain air bags<sup>[2]</sup> and a Sentry Key™ Theft Deterrent System. And if that's not enough, Sport's classic and friendly good looks are enhanced by 16-inch styled steel wheels, or 17-inch cast aluminum wheels with all-terrain tires available with the Trail Rated™ 4WD Off-Road group.

Patriot Sport 4WD with Trail Rated Freedom-Drive II™ Off Road Group

An electric rear defroster and manual liftgate with a wiper are practical, functional and standard on Patriot. Moulded Splash Guards and Hitch Receiver are available Authentic Jeep Accessories by Mopar® (for more info, see page 26).

The available 158-hp 2.0L 16-valve I-4 engine is paired up with a CVT2 transaxle. Together, they deliver strong front-wheel-drive performance combined with exceptional automatic transmission-equipped fuel efficiency.<sup>[3]</sup>

**PATRIOT SPORT | STANDARD | 2.4L VVT Engine | Front-Wheel-Drive (FWD) Transaxle | 5-Speed Manual | Electronic Stability Program (ESP) | Electronic Roll Mitigation | Anti-lock Brake System (ABS) | Traction Control | 16-inch Styled Steel Wheels | AVAILABLE | Continuously Variable Transaxle (CVT2) | Freedom-Drive I™ 4WD System with Locking Feature | Freedom-Drive II™ 4WD Off-Road Group |**

• – Included P – Available within package noted 0 – Optional N/A – Not Available

<sup>(1)</sup>Not compatible with aftermarket fabric protecting coatings. <sup>(2)</sup>Always use seat belts. Children 12 and under should always be in a back seat correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. <sup>(3)</sup>No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the instrument cluster flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Please always wear your seat belt. <sup>(4)</sup>Three channel universal garage door opener transceiver. <sup>(5)</sup>Not compatible with all garage door openers. See your retailer for details.

## THE AUTHENTIC DIFFERENCE: A JEEP® ORIGINAL, BY DESIGN.

Start with something as individual as a Jeep vehicle. Then add Authentic Jeep Accessories by Mopar designed and engineered to meet the strict standards expected from our official parts and accessories division. That's the Authentic Difference – a difference you can't find anywhere in the aftermarket. Whether you're looking to equip your Patriot with premium protection, convenience, style or entertainment, your possibilities are boundless with Authentic Jeep Accessories by Mopar.

Keep your Patriot on the rugged side of refinement with Authentic Jeep Accessories by Mopar.

**[A] Six-Pair Ski and Snowboard Carrier.** With this handy carrier, convenience is never an uphill battle. Ski and snowboard carrier holds up to six pairs of skis or four snowboards, or a combination of the two. Features corrosion-resistant lock covers and either-side opening. Can be mounted to Production Roof Rack with adapters (sold separately) or Sport Utility Bars. **Sport Utility Bars.** These beefy bars are built of heavy-duty Black anodized aluminum. Bars attach to the Production Roof Rack Side Rails and accommodate all our carrier accessories. Set of two.

**[B] Driving Lights.** Shed more light on any terrain. Light covers are also available in either a mesh grille or a lens cover featuring the Jeep logo. Sold separately.

**[C] Moulded Splash Guards.** Help protect the lower bodyside panels of your Patriot from damage caused by gravel, salt and road debris, while adding some straight-on good looks.

**[D] Hitch Receiver.** Built for the long haul, this heavy-duty Class I hitch receiver can tow up to 905 kg (2000 lb).\* Ball Mount, Hitch Ball, Wiring Kit and Hitch Plug also available.

\*When equipped with Trailer Tow Prep Group or Freedom-Drive II™ Off-Road Group.

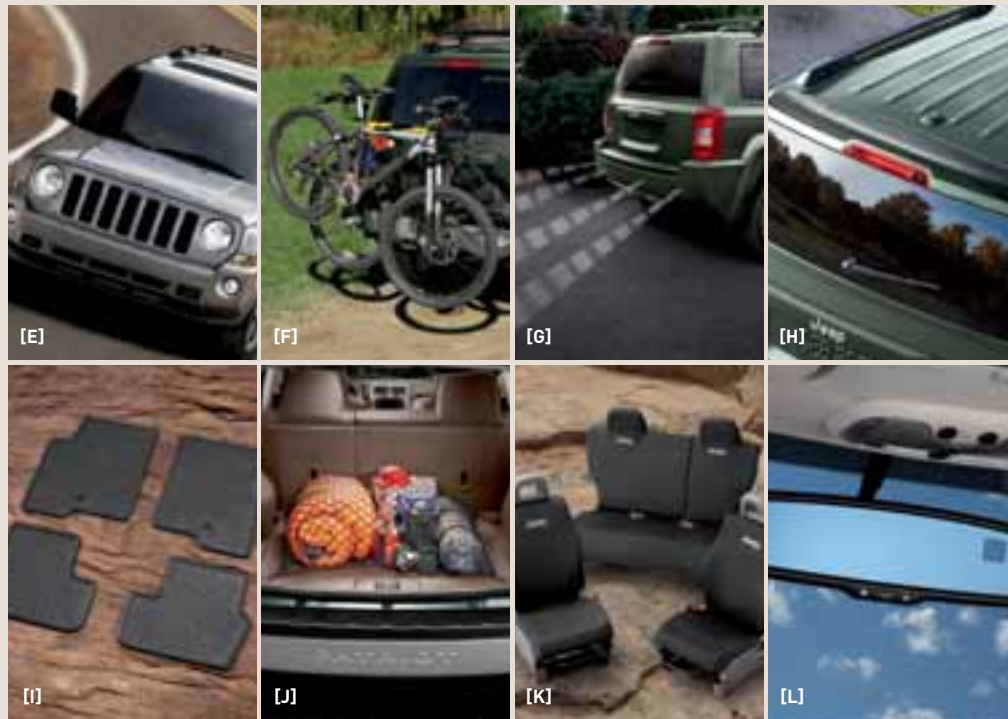

## PREMIUM ELECTRONICS: TURN ON, TUNE IN AND HEAD OUT.

**[A] DVD Rear Seat Video.**<sup>TM</sup> No lines and no waiting with this integrated, single-disc CD/DVD featuring a 7-inch wide screen, wireless headphones and remote.

**[B] Navigation Radio (REC).** Sophistication made simple. This combination DVD navigation/stereo system provides you with turn-by-turn directions for the continental United States and most of Canada. Highlights include voice instruction in three languages, automatic re-route calculation, full map displays, extensive points of interest listings and much more.

**[C] UConnect™ Voice-Activated Hands-Free Communication.**<sup>[1]</sup> This voice-activated communication system allows you to dial your wireless phone through simple voice commands utilizing a Bluetooth™ hands-free profile wireless phone.

**[D] iPod® Integration Kit.** Fully integrated adapter provides iPod music file selection through your vehicle's audio system controls. Radio functions and displays vary between vehicle audio systems.

## AUTHENTIC JEEP ACCESSORIES FOR OUTGOING LIFE STYLES.

**[E] Fog Lights.** The choice is clear. Designed to integrate seamlessly into the lower front fascia, our fog lights improve your visibility in inclement weather.

**[F] Hitch-Mount Fold Down Bike Carrier.** This convenient carrier comes in a Two-Bike (fits 1¼-inch receiver) style that folds down to allow your vehicle's liftgate to open without having to remove bikes from the carrier. Carrier features carry clamps with rubber inserts, a cable to lock bikes to carrier and an anti-theft bolt that locks the carrier to your vehicle.

**[G] ParkSense™ Rear Park Assist System.**<sup>[2]</sup> Advanced system uses sound waves and audio-visual indicators to manoeuvre in tight spaces at parking speeds.

**[H] Rear Air Deflector.** Keep your vehicle's rear window clear by directing a stream of air across it while the vehicle is moving. Jeep® logo featured. **Sunroof Air Deflector.** Keep wind noise to a minimum and enjoyment to the maximum while deflecting air and debris up and over your sunroof opening while vehicle is moving (not shown).

**[I] Slush Mats.** Get in the groove with these custom fit, heavy vinyl mats that feature deep grooves to help prevent water, snow and mud from damaging your Patriot's carpet.

**[J] Floor Convenience Net.**<sup>[3]</sup> This sturdy Black nylon net is designed to fit the cargo area of your Patriot, and fastens to tie-down loops to help keep loose items secure. **Envelope Net**<sup>[3]</sup> keeps smaller items from rolling around cargo area (not shown). Both nets are included in kit.

**[K] Water-Resistant Seat Covers.** High-tech "wetsuit" material helps keep dirt and moisture off your seat surfaces. Passenger side cover has a handy seatback pocket. Covers are custom fit for front and rear seats.

**[L] Interior Mirror Kit.** You'll like what you see with this rear-view mirror featuring a built-in compass, temperature display and automatic dimmer.

<sup>[1]</sup>Must use Bluetooth™ compatible mobile phone. <sup>[2]</sup>Intended to provide assistance to the driver. Always exercise appropriate care while reversing. <sup>[3]</sup>Properly secure all cargo.
