

WRANGLER

AUTHENTIC JEEP,  
ACCESSORIES

## MOPAR® FOR LIFE

The Mopar® name has long been emblazoned on race cars greeted by checkered flags, on boxes left over from a weekend of wrenching and on shirts belonging to the masters of your make and model. Its rich history is born not just of parts but of lifelong connections made at those tracks, garages and service bays. Mopar is with you the moment you get your new keys and for every kilometre thereafter. It helps you make your ride your own with accessories of every kind. It assures you with expert maintenance, made-for-your-model parts and Mopar Vehicle Protection.®

Vehicle shown with Beadlock Wheels, Satin Black Grille, Half-Door Kit, Rectangular LED Windshield-Mounted Off-Road Lights, Mopar WARN® Winch, Black Tow Hooks, Front Off-Road Bumper and Rock Rails. Vehicle on cover features Rubicon® X Front Bumper, Mopar WARN Winch, Winch Guard, Satin Black Grille and LED Headlights.

## TOUGHEN UP WITH JEEP PERFORMANCE PARTS

Serious off-roaders, now it's easier than ever to take your Jeep® brand vehicle to the next riding level. Mopar and the Jeep brand have forged an exciting partnership that will make the hearts of hard-core trail hounds beat a little faster. Introducing a portfolio of factory-engineered products that are specifically designed to enhance the off-road performance of 4WD Jeep brand vehicles. From winches to axles, from suspensions to rock rails, these extreme parts have been gathered together to make it easier to kick your off-road capability up a notch or three. The Mopar Off-Road Division dedicates its full attention to developing this line of serious components that gives hard-core Jeep 4WD enthusiasts the fortitude to go wherever the going gets tough.

^ **2-INCH LIFT KIT IN CRATE.** Hit the trail or daily commute with our 2-inch Lift Kit. This kit provides excellent handling both on-road and off. Accommodates 35-inch tires for added capability and a great look. Kit is completely engineered by Jeep® Performance Parts engineers to be the best no-compromise lift kit available for your Jeep Wrangler. And you can cleverly recycle the natural wood crate by using it as a heavy-duty storage box.

^ **HIGH-STEER KIT.** This kit moves the steering connection up on the axle 4 inches, improving steering geometry of lifted vehicles. It includes track bar bracket, drag link with adapter and steering stabilizer. Also featured as part of the 4-inch Lift Kit. **HEAVY-DUTY STEERING STABILIZER.** The steering stabilizer is also available separately. It works as a shock absorber for the steering system in your vehicle, helping to minimize road vibration in the steering wheel. Easy bolt-in replacement for the stock stabilizer.

v **BIG BRAKE KIT<sup>(1)</sup>** Upgrade your braking system to match larger tires and wheels. Features heavy-duty two-piston calipers, large 13-inch rotors with ceramic pads, brake lines, new mounting brackets and matching Big Brake Booster and Master Cylinder. Requires 17-inch or larger wheels. The Big Brake Booster and Master Cylinder are also available separately.

<sup>(1)</sup> Mopar Performance Parts are sold "as is" unless otherwise noted.

v **4-INCH LIFT KIT IN CRATE.** Raise the profile of your four-door Wrangler while enjoying the look and fit of larger tires, as well as excellent on- and off-road handling. Kit includes four specially tuned high-quality springs, brake lines and control arms, four specially tuned FOX reservoir shocks, necessary brackets and a new Double-Cardan driveshaft and yoke. Also includes the High-Steer Kit. The natural wood crate can be repurposed any number of ways — as a unique coffee table or as a statement piece to boldly express your Jeep brand pride.

# ADDING MORE CAPABILITY

✓ **COLD AIR INTAKE KIT<sup>(1)</sup>** More power, more trail-riding glory. This kit features a low-restriction, cleanable filter to help improve horsepower and torque. With an aggressive sound, the intake provides performance you can hear and feel. The kit includes all necessary mounting hardware and a filter.

✓ **YOKE KIT<sup>(1)</sup>** This kit allows the use of the Jeep® Performance Parts Double-Cardan front driveshaft. Size is for the 1310 U-Joint. Complete with spline seal and nut.

✓ **SKID PLATE.** This Skid Plate helps protect your vehicle's sway bar disconnect, giving you the courage to keep moving forward on the trail. An electrocoat and powder-coat Black finish meets the tough corrosion standards the Jeep brand is known for.

^ **RUBICON® X REAR BUMPER.** This original equipment Rubicon® X Rear Bumper not only looks great but, with added steel-reinforcement, is stronger than the standard plastic bumper and provides extra protection. Works with Tow Hooks and Hitch Receiver, sold separately.

^ **TAILGATE REINFORCEMENT ASSEMBLY.** Provides heavy-duty tailgate reinforcement so you can safely carry an oversized tire. It allows you to operate the tailgate with one hand while still carrying your larger tire and wheel. The production latch means things are locked in place and there is no rattling. An optional Oversized Wheel Mount holds large offset wheels, and is sold separately.

^ **WINCH RECOVERY GEAR AND BAG.** Includes heavy-duty snatch block pulley, 9.1-m (30-foot) recovery strap, tree trunk protector, a pair of D-rings, winch-line dampener and recovery gloves. Also includes a durable bag that features the Jeep brand logo, to keep your gear neatly organized and ready when you need it.

^ **JEEP® PERFORMANCE PARTS DECAL.** When you demand the very best for your Jeep brand vehicle, it's no wonder that you want to share it with the world. Place this self-adhesive sticker where you know it will get noticed. Available in White with Clear or Black background. Includes one decal.

^ **TOW STRAP KIT.** Come to the rescue with this tow strap that gives the tow vehicle extra leverage when extracting stuck vehicles. This kit comes with a heavy-duty zippered bag, one tow strap, one steel clevis shackle and a pair of gloves.

✓ **HIGH TOP FENDER FLARES.** Maintain a low centre of gravity while allowing for a 35-inch tire without a lift, or a 37-inch tire with 2 inches of lift. Fender flares attach to the production mounting holes with no sheet metal trimming and bring a tough new style to your Wrangler's design. Available in a durable fade-resistant Black texture finish that matches other Black parts on your Wrangler. Fender flares meet all FCA standards and are made in the U.S.A.

✓ **OVERSIZED WHEEL MOUNT.** This adjustable tailgate-mounted spare tire bracket holds wheels of different offsets and tires up to 37 inches. Requires the Tailgate Reinforcement Assembly for mounting, sold separately.

<sup>(1)</sup> Mopar Performance Parts are sold "as is" unless otherwise noted.

# MEAN BUSINESS AND NEVER BACK DOWN

**A. RUBICON® X HOOD KIT.** Let your beast reveal its true personality, front and centre, with this Rubicon® X Hood Kit. With the hood kit, your looks will accent the legendary strength and capability of Rubicon. Features an aggressive style with air vents, hood liner and hardware. Kit includes attaching components and comes primed and ready for paint.

**B. RUBICON X FRONT BUMPER.** Maximize the manoeuvrability of your Wrangler by adding this steel-reinforced, winch-capable original equipment Rubicon X Front Bumper made specifically for heavy-duty performance. Removable ends allow you to convert to a high-clearance narrow-profile bumper. Optional Winch Mount is available, sold separately. Choose long configuration (**SHOWN**) or short configuration. Long bumper comes equipped with Red Tow Hooks and Fog Lights.

**C. MOPAR, WARN® WINCHES.<sup>(1)</sup>** No jam is too tough for our extensive lineup of winches. Each winch has a sealed, water-resistant, die-cast body structure and includes wired remote control and a hawse fairlead. Optional synthetic winch line and winch accessory kits are also available.

**D. WINCH GUARD.** Protect your winch and grille with this steel tubular guard. The guard mounts to production holes on the top of your existing bumper. Winch Guard fits the Rubicon X, 10A, Hard Rock or Mopar® version of this bumper.

**E. BEADLOCK WHEELS.** A standard bolt-on outer beadlock ring allows off-road vehicle operation with low tire pressures for maximum traction. Features the proper 12mm offset to run a 35-inch tire with a 2-inch lift. Wheel also features a standard cast-in outer tire bead for normal DOT-approved tire mounting. Satin Black wheel with Silver painted forged beadlock. Size: 17 inches x 8.5 inches.

**F. ROCK RAILS.** Rails are constructed of heavy-gauge steel to help protect the sides of your Wrangler against impacts from rocks and trees. Rock Rails feature a textured Satin Black finish and are available with or without a Tubular Rub Rail.

**WINCH MOUNT (NOT SHOWN).** Mopar offers a heavy-duty Winch Mount for all configurations of our Off-Road Bumpers. Fairlead adapters are also available if required.

Vehicle shown with Rectangular LED Windshield-Mounted Off-Road Lights, LED Headlights, Jeep® Performance Parts Decal and Black Fuel Filler Door.

<sup>(1)</sup> Winch Mount required for some bumpers.

# TOUGHER TO TAKE YOU FARTHER

^ RUBICON® DANA® 44 FRONT AXLE<sup>(1)</sup>

**PERFORMANCE AXLE ASSEMBLIES<sup>(1)</sup>** The Mopar® Off-Road Division has partnered with Dana Corporation to offer incredibly strong, complete axle sets now available through the Jeep® Performance Parts line. The Rubicon® Dana® 44 Axles are offered with push-button lockers, 4:10 gears and heavy-duty axle shafts. For the ultimate in strength, all-new Dana 60 Axles are also available. These axles are fully assembled with electric lockers and a choice of gearing.

^ RUBICON DANA 44 REAR AXLE<sup>(1)</sup>

**DANA 60 AXLES<sup>(1)</sup>** For the ultimate in strength, Front and Rear Dana 60 Axles are equipped with electric lockers. Huge one-ton truck disc brakes with dual-piston calipers, 1550-size U-Joints, WARN® premium locking hubs and heavy-duty mounting brackets are all standard. These axles will bolt in and have been engineered to work with production steering and braking systems. Oversized Brake Booster and Master Cylinder available as a Kit.

^ DANA 60 FRONT AXLE<sup>(1)</sup>

^ DANA 60 REAR AXLE<sup>(1)</sup>

✓ **REUSABLE DIFFERENTIAL GASKET.** This gasket is designed with a durable core that helps provide torque retention — and it's reusable. Great for trailside repairs; no sealants needed.

✓ **DIFFERENTIAL COVER GUARDS.** Cast Iron Differential Cover Guards fit over your differential cover to help protect it from trail damage. Both feature the Jeep® brand logo.

^ **HEAVY-DUTY BARE AXLE HOUSING<sup>(1)</sup>** This housing is bolted into the production Rubicon® front axle and features thicker axle tubes to resist bending or fracture. Axle tubes are from our production J-8 Military tubes.

^ **HEAVY-DUTY BALL JOINTS.** These greasable all-steel ball joints by Jeep Performance Parts are designed to be significantly stronger than the production ball joints. Made in the U.S.A. to our exacting standards. Greasable joints help keep the water and grit out for long life. Sold as a set of four.

^ **MOUNT BRACKET KIT.** Build your favourite axle for your Jeep Wrangler with the all-new Mount Bracket Kit. This handy kit comes complete with all necessary mounting brackets for front and rear axles.

<sup>(1)</sup> Mopar Performance Parts are sold "as is" unless otherwise noted.

## AUTHENTIC JEEP ACCESSORIES

Make your Wrangler as unique as you are. With hundreds of parts to transform your Jeep, Wrangler and make it your own, Mopar offers a wide variety of accessories, each one crafted for your Jeep Wrangler. You won't have to guess if your part will fit correctly or worry if the colour will match — when you go with the authentic quality of Mopar, you'll get it right the first time. You're using original equipment designed by the same engineers who know your Wrangler inside and out.

Vehicle shown with Chrome Grille, Stainless Steel Hood Latches, Stainless Steel Windshield Brackets, Chrome Mirror Covers, Chrome Door Handle Inserts, Chrome Tubular Side Steps, Premium Chrome Wheel, Front and Rear Chrome Tubular Bumpers, Black Tie Edition Emblem, Chrome Fuel Filler Door and Chrome Taillamp Guards. Also available but not shown: Chrome Exhaust Tip.

QUALITY THAT IS FULLY REVEALED

**LED HEADLIGHTS.** These lights provide brilliant performance and off-road durability. They're ideal for dark country roads and finding your way through the woods. LED lamps are long-lasting and use very little energy, while giving you a clearer look both near and far, as well as to the sides of your vehicle. Easy installation, no adapters or anti-flicker modules needed. Sold as a set of two.

**RECTANGULAR LED WINDSHIELD-MOUNTED OFF-ROAD LIGHTS<sup>(1)</sup>** When you're travelling off the beaten path at night, it's important to have a clear picture of what lies ahead. For excellent illumination, choose these easy-to-mount LED lights. They offer low power consumption and provide a long lifespan. Water- and dust-proof casing helps keep lights safe and secure. Lights are sold as a set of two and include Mopar® logo light covers. Brackets are sold separately, no drilling required.

∨ 6 LED LIGHTS.

∨ 4 LED LIGHTS.

∨ MOPAR® LOGO LIGHT COVERS.

^ **LIGHT BAR<sup>(1)</sup>** This Light Bar frame bolts to existing holes for easy installation. No vehicle modifications, drilling or cutting needed. Constructed from durable steel tubing. Each bar can hold up to three off-road lights, sold separately.

^ **HELLA® 500 & 700 WINDSHIELD-MOUNTED OFF-ROAD LIGHTS<sup>(1)</sup>** These lights feature a lightweight design and provide brilliant performance and off-road durability. The vapour-coated aluminum reflector ensures clear, bright light in all driving conditions. Kit includes two lamps, protective covers, 55-watt bulbs, wiring harness with switch, relay and instructions. Brackets sold separately, no drilling required.

^ **LED FOG LIGHTS<sup>(1)</sup>** Clearly, these LED Fog Lights give you maximum visibility in hard-to-see weather. LED technology features long life and a defined light pattern to enhance visibility. No bulbs to burn out and change. The Jeep® brand logo in the housing reminds all that these are Authentic Jeep Accessories.

<sup>(1)</sup> Check provincial and local regulations for installation and use.

PERSONALITY BACKED BY CAPABILITY

**HOOD GRAPHICS.** This stylish hood decal graphic featuring the Jeep® brand logo adds a bold complement to your Wrangler's hood — and helps reduce sunlight glare. Available in Silver (shown on left) and Black (shown on right).

Vehicle on left shown with Hardtop, Satin Black Four-Door Tubular Side Steps, Chrome Door Handle Inserts and Satin Black Grille. Vehicle on right shown with Rubicon® X Front Bumper, Mopar® WARN® Winch, Winch Guard, Sideview Mirror Set, Half-Door Kit, Black Fuel Filler Door, Black Taillamp Guards, Beadlock Wheels, Two-Door Rock Rails and Rectangular LED Windshield-Mounted Off-Road Lights.

^ **MESH SUN BONNET.** The mesh on this sun bonnet helps offer protection from the sun, yet still lets in plenty of fresh air. The Mesh Sun Bonnet is made of premium-grade fabric that is mildew- and fade-resistant and can be conveniently positioned under your original top. Simply install the included mounts and fasten in place. Available in two sizes.

^ **SUN BONNET.** This bonnet is made of durable, high-quality soft top material. The weathertight windshield header seal exactly matches the original equipment soft top specs for a precise fit. Available for hardtop (without door frame) or soft top (with door frame).

^ **PREMIUM SOFT TOP.** For top-line Wrangler air-in-your-hair good looks, go for the available Premium Soft Top. It adds durability and sound dampening for a quieter ride. Plus, a dust blocker helps keep it in tip-top shape and always easy to wash. Available for two-door (SHOWN) or four-door vehicles.

^ **PRIMED HARDTOP.**

**STANDARD HARDTOP.** Identical to the production hardtop, this premium hardtop features dark-tinted glass, side-quarter windows and a glass liftgate. A rear wiper and defroster are also included. Available for two-door (SHOWN) or four-door vehicles. Hardtop Tool Kit also available.

^ **BODY-COLOUR HARDTOP.**

^ **STANDARD SOFT TOP.** Features two quick-release header latches to raise and lower the top. Zip-out windows, heavy-duty seams and an exclusive door frame system minimize wind noise and water leaks. Identical to the production soft top, the Sunrider® feature is also standard. Available for two-door (SHOWN) or four-door vehicles.

^ **BLACK STANDARD SOFT TOP.**

^ **GREEN KHAKI STANDARD SOFT TOP.**

# PUTTING MORE ON TOP

^ **HARDTOP HEADLINER.** Enhance the appearance of your Wrangler with this extremely durable headliner. It also helps boost the efficiency of your air conditioning while working to keep road noise to a minimum. Provides a clean, finished appearance with 1/2-inch-thick non-woven cushioning and finished edges. Available for 2007 model years and newer.

^ **FOUR-DOOR HARDTOP HEADLINER.**

^ **TWO-DOOR HARDTOP HEADLINER.**

^ **FREEDOM TOP® STORAGE BAG.** This storage bag has two compartments to help organize and protect your Wrangler's Freedom Top® panels. Stores conveniently behind the rear seats.

^ **SOFT TOP BOOT.** The boot protects your soft top when it's folded down and includes a special zippered pouch to store your soft top windows.

^ **WILLYS SUN VISORS.** Gain protection from the glaring sunlight. These side-window sun visors attach to the Sport Bar. Designed to function with optional Grab Handle, sold separately. Sold as a set of two.

^ **GRAB HANDLES.** These heavy-duty Grab Handles feature an embroidered Jeep® brand logo, easy-to-hold rubber grips and durable nylon webbing. Attach directly to the Sport Bar. Available as a Grab Handle/Clothes Hook set (SHOWN) or as a set of two Grab Handles.

ADDING

MORE

VERSATILITY

**A. HOOD LOCK KIT<sup>(1)</sup>** Help protect your vehicle's underhood from theft and vandalism. Attaches to existing holes on your Wrangler and automatically codes itself to the ignition key during installation.

**B. HITCH RECEIVER<sup>(2)</sup>** Tow up to 1,588 kg (3,500 lb) with the proper equipment. Works with all bumpers available through Mopar®. Ball Mount, Hitch Ball, Wiring Harness and Hitch Receiver Plug also available, sold separately.

**C. ROADSIDE SAFETY KIT.** Kit includes safety flashlight, fleece blanket, six-gauge jumper cables, safety triangle, flathead and Phillips screwdrivers, pliers, two bungee cords and gloves.

**D. TENT KIT.** This 3m x 3m (10' x 10') recreation tent attaches to the rear of your Wrangler, creating extra sleep and storage space. Should you need to drive away from the campsite, the tent stands alone when detached from the vehicle. Tent is available with or without a 2.1m x 1.8m (7' x 6') awning, and comes with a carrying case for easy storage.

**E. LOCKING CENTRE CONSOLE<sup>(3)</sup>** Instant security is at hand with this convenient locking console. It's designed to fit perfectly into the refined curves of your existing Wrangler centre console. Made of heavy-duty enclosed steel.

**DOOR SILL GUARDS.** Durable guards help protect your door sills from scratches and feature the Jeep® brand logo. Available for two-door or four-door vehicles.

**F. BLACK DOOR SILL GUARDS.**

**G. STAINLESS STEEL DOOR SILL GUARDS.**

**H. LOCKING STEEL CUBBY COVER<sup>(3)</sup>** A sturdy replacement for the existing cover, this Locking Steel Cubby Cover provides a durable deck surface while creating secure storage in the hidden floor compartment.

**I. SKI AND SNOWBOARD CARRIER ADAPTER<sup>(3)</sup>** Holds up to four pairs of skis, four snowboards or a combination of both. Features corrosion-resistant lock covers. Requires the Spare Tire-Mounted Bike Carrier for mounting, sold separately.

**J. PET KENNEL<sup>(3)</sup>** Safely transport your pet with this sturdy and durable kennel. Secures to vehicle using four tie-down straps and stores flat when not in use. Features the Jeep brand logo.

**K. LOCKING UNDERSEAT DRAWER.** Keeps valuables secure and weathertight in a stealth underseat location that's hidden from prying eyes. Easy to install — no drilling required for standard mounting. Made of 16-gauge steel, with an exclusive 10-tumbler double-bitted locking system.

**L. SPARE TIRE-MOUNTED BIKE CARRIER<sup>(3)</sup>** This unique carrier mounts securely onto your spare tire. Easily carries two bikes with crossbars.

**TOW VEHICLE WIRING HARNESS (NOT SHOWN).** The Tow Vehicle Wiring Harness connects your Wrangler to the towing vehicle's seven-way trailer connector. Includes an underhood wiring disconnect and works with Wrangler's body computer. Operates the taillights; perfect for towing behind an RV.

<sup>(1)</sup> Check provincial and local restrictions on installation and use. <sup>(2)</sup> Check User Guide for hitch type, load capacity and heavy-duty equipment required. Do not exceed rated tow capacity of the vehicle as equipped. Trailer may require items not supplied by Mopar. Maximum towing capacity for Wrangler is 907 kg (2,000 lb). Maximum towing capacity for Wrangler Unlimited is 1,588 kg (3,500 lb). <sup>(3)</sup> Properly secure all cargo.

# OUTFIT YOUR WRANGLER FOR STYLE

**TUBULAR BUMPERS.** These Front and Rear Black Tubular Bumpers are constructed of rugged mandrel-bent tubing and match the contours of your Wrangler's body perfectly. For front or rear of vehicle, sold separately. Also available in Chrome.

✓ **FRONT BLACK TUBULAR BUMPER.**<sup>(1)</sup>

✓ **REAR BLACK TUBULAR BUMPER.**<sup>(1)</sup>

✓ **POWER DOME HOOD.** Features hood insulation and footman loop/bumpers to make this package the real deal. Comes e-coated and ready for paint so you can customize it to match your Jeep® Wrangler. Bolts on using the existing hardware.

✓ **MIRROR RELOCATION BRACKETS.** Easily move your factory-installed mirrors from your doors to the body of your Wrangler. The no-drill design mounts to existing factory body bolts. Constructed of Black powder-coat steel and includes a Black steel filler plate for the door. Sold in pairs for both driver- and passenger-side mirrors.

✓ **SIDEVIEW MIRROR SET.** These exterior, door-mounted mirrors are identical to the manual-adjust non-heated production mirrors to help maintain the authentic look of your Wrangler. Mirror set sold in pairs and comes complete with hardware.

✓ **FUEL FILLER DOOR.** This unique Black Fuel Filler Door adds contrast to every hue in the Wrangler body-colour palate. Made of sturdy die-cast aluminum, the door stays open when needed. Also available in Chrome.

∧ **FRONT TOW HOOKS.**

**TOW HOOKS.** These heavy-duty Black steel Front and Rear Tow Hooks mount to your Wrangler's frame and are tested to handle up to 1.5 times the Gross Vehicle Weight Rating. Sold separately as a set of two Front or two Rear Tow Hooks.

∧ **REAR TOW HOOKS.**

∧ **RUBICON® X HOOD KIT.** Features an aggressive style with air vents, hood liner and hardware. Kit includes attaching components and comes primed and ready for paint.

∧ **FRONT-END COVER AND V-HOOD COVER.** Covers fit the contours of your vehicle and help protect against bugs, dirt and road debris. Shown together, sold separately.

∧ **FRONT AIR DEFLECTOR.** This popular accessory lets you say "yes" to rugged style and "no" to road spray, dirt and other damaging debris. Shown with Chrome Grille, sold separately.

∧ **TAILLAMP GUARDS.** Make a stylish impact around town with added off-road protection. Available in Black or Chrome.

<sup>(1)</sup> These products are designed solely to enhance the appearance of the vehicle; they are not intended to prevent injury or damage in the event of an accident.

OPEN UP YOUR WORLD

Vehicle shown with Front and Rear Black Steel Bumpers, Satin Black Four-Door Tubular Side Steps, Black Fuel Filler Door, Classic Five-Spoke Wheels in Satin Black, Mesh Sun Bonnet, Rubicon® X Hood Kit, Half-Door Kit, Satin Black Grille, Tailgate Reinforcement Assembly, Oversized Wheel Mount, and Front and Rear Splash Guards.

## MOPAR® WHEELS

These custom wheels are machined to match your Wrangler's exact specifications. The design helps deliver a smooth and balanced ride.

17-INCH WINTER/OFF-ROAD

PREMIUM CHROME

\* **CLASSIC FIVE-HOLE CAST-ALUMINUM WHEELS.** This 17- x 8.5-inch wheel design is stylish and sporty all at once. Made to accommodate wider tires with 11.7 cm (4.6 inches) of backspacing.

\*\* **CLASSIC FIVE-SPOKE WHEELS.** The 17- x 8.5-inch Classic Five-Spoke Wheel design gives your vehicle a true off-road look. Made to accommodate wider tires.

**BEADLOCK WHEELS (SHOWN AT RIGHT).** Our functional Beadlock Wheels deliver an aggressive look with a bolt-on outer beadlock ring standard. This feature allows off-road vehicle operation with low tire pressures for maximum traction. Features the proper 12mm offset to run a 35-inch tire with a 2-inch lift. Wheel also features a standard cast-in outer tire bead for normal DOT-approved tire mounting if desired. A non-functional trim ring is also available if desired. Satin Black wheel with Silver painted forged beadlock. Size: 17 inches x 8.5 inches.

# PROTECTION

backed by style

A

**A. KATZKIN® LEATHER INTERIORS.** Mopar® has partnered with Katzkin® to create unique leather interior options. Katzkin offers a full line of leather-trimmed interiors that are handcrafted and professionally designed for all Jeep® brand vehicles. Choose from a variety of designs to match your style. It's your car, make it your interior with Katzkin. Ask your retailer for more information.

**B. WATER-RESISTANT FRONT AND REAR SEAT COVERS.** Custom-fit seat covers are designed to help keep dirt and moisture off your seat surfaces. Passenger-side cover includes a seatback pocket. Covers feature the Jeep brand logo. Not compatible with front seat-mounted side air bags.

**C. CARGO LINER.<sup>(1)</sup>** Cleanups are a snap with this thick, heavy-duty Cargo Liner. Liner helps protect your Wrangler's cargo area with its raised-perimeter wall that traps water, snow and mud so your factory carpet can remain clean and dry. Also available for subwoofer-equipped Wrangler vehicles.

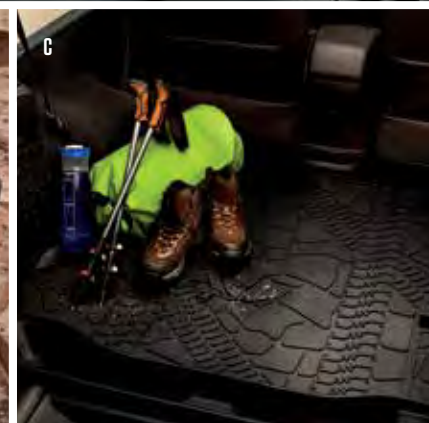

**D. ALL-WEATHER HEAVY-DUTY MATS.** The high borders of these specially designed Dark Slate Grey mats are crafted to help prevent water, snow and mud from damaging your Wrangler's carpet. Two fasteners on each front mat keep them in place. Available as a set of two mats for two-door vehicles and as a set of three mats for four-door vehicles.

**E. PREMIUM CARPET FLOOR MATS.** These plush 828-ml (28-oz) carpet mats are available in Dark Slate Grey. Front mats feature the Jeep brand logo.

# PROTECT AND SERVE

✓ **WINDOW STORAGE BAG.** This Window Storage Bag holds and protects the two quarter-side and rear removable soft windows of your Wrangler. Features the Jeep® brand logo.

✓ **VEHICLE COVER.** This Vehicle Cover is designed to protect against UV rays, dirt and pollutants. Cover is water-resistant with double-stitched seams and features the Jeep brand logo.

✓ **HALF-DOOR WINDOW KIT AND UPPER-HALF-DOOR STORAGE BAG.** Half-Door Window Kit is available as a set and fits into the half-doors. Available for two-door or four-door vehicles. Window Storage Bag also available, sold separately.

^ **SUN-REFLECTIVE SILVER CAB COVER.**

**CAB COVER.** Made of weather-resistant high-quality nylon that fits snugly over your Wrangler's hardtop or soft top. Available for two-door (SHOWN) or four-door vehicles.

^ **BLACK CAB COVER.**

^ **SATIN BLACK GRILLE.**

**GRILLE.** Enhance the rugged look of your Wrangler with this iconic seven-slot grille. Includes the Jeep® brand logo.

^ **CHROME GRILLE.**

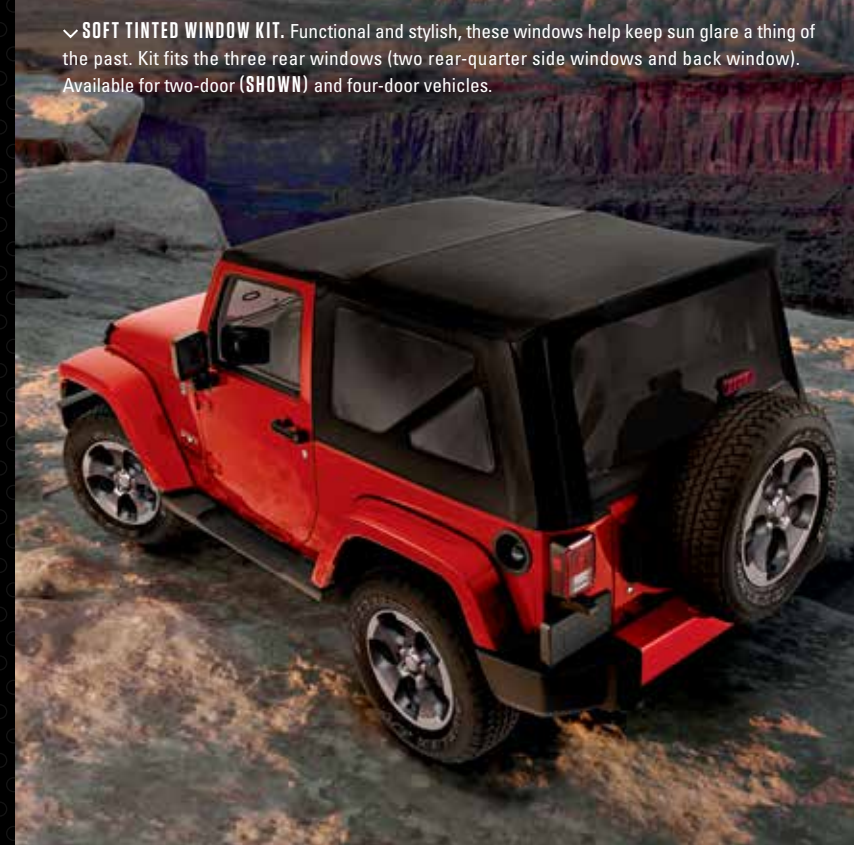

^ **DOOR CHECKS.** Now you can hold doors firmly open when needed and close with a gentle push. Removable pin allows doors to be removed easily.

^ **CHROME TUBULAR SIDE STEPS.** **TUBULAR SIDE STEPS.** These durable side steps are mandrel-bent to maintain a consistent diameter. Extra-wide stepping surfaces help prevent slipping for a safer entry and exit. Available for two-door (SHOWN) and four-door vehicles.

^ **BLACK TUBULAR SIDE STEPS.**

✓ **SOFT TINTED WINDOW KIT.** Functional and stylish, these windows help keep sun glare a thing of the past. Kit fits the three rear windows (two rear-quarter side windows and back window). Available for two-door (SHOWN) and four-door vehicles.

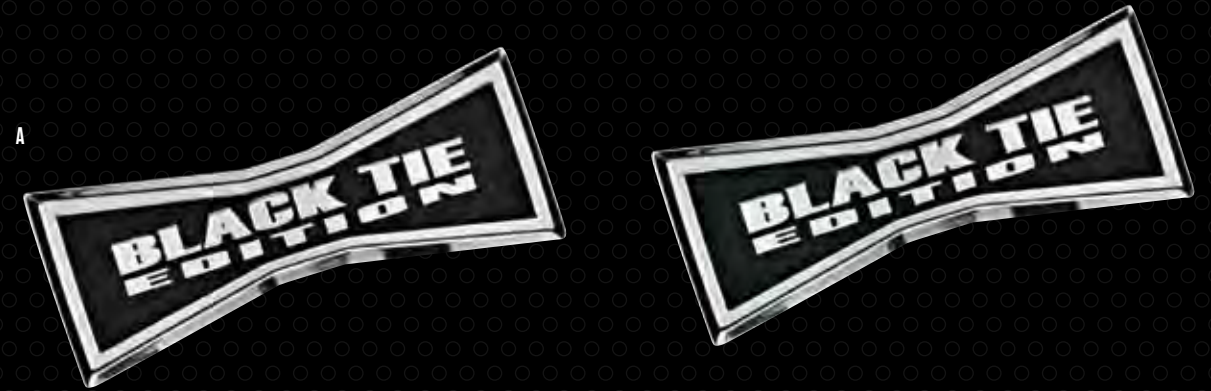

✓ **HALF-DOOR KIT.** Improve your panoramic view. Kit includes one pair of lower half-doors identical to production models, e-coated and ready to paint. Sideview Mirror Set also available, sold separately.

## MOPAR® SPARE TIRE COVERS

These custom covers match your Wrangler's exact specifications. Tire covers are available in hard and soft material that match your vehicle's colours and fabrics. Soft covers feature an elastic anchor.

**A. BLACK TIE EDITION EMBLEM.** Show that you're totally serious about outfitting your Wrangler with the best. 3M™ tape facilitates easy mounting. Sold as a set of two.

**B. SATIN CHROME TIRE VALVE STEMS.** They're a small touch that offer large style cues. Sold as a set of four with the Jeep® brand logo prominently displayed on the top.

**C. AUTHENTIC JEEP® ACCESSORIES BADGE.** Let everyone know your accessories are the real deal. Aluminum emblem features Silver lettering on Black background. Includes one badge.

**D. JEEP PERFORMANCE PARTS EMBLEM.** Enhance the look of your Wrangler and let them know you're a serious off-roader. Aluminum emblem with Silver lettering. Includes one emblem.

**E. WHEEL LOCKS.** Includes five new lug nuts and a special-fitting key to help offer maximum wheel- and tire-theft protection.

**F. MOPAR® OFF-ROAD BADGE.** Let them know you've outfitted your Wrangler with factory-engineered parts! Emblem features Silver lettering on Black background. Includes one badge.

# TECHNOLOGY YOU CAN'T PASS UP

**MOPAR® PHONE.<sup>(1)</sup>** It helps simplify driving by letting you keep your eyes on the road and your hands on the wheel. Mopar® Phone is an in-vehicle, voice-activated communication system that allows you to talk on your Bluetooth®-compatible phone virtually hands-free.<sup>(1)</sup> Call contacts in your phone's address book<sup>(2)</sup> just by saying their name.

**ELECTRONIC VEHICLE TRACKING SYSTEM (EVTS).** It's a fact: time is of the essence when it comes to stolen vehicle recovery. The Mopar® EVTS, powered by Guidepoint,<sup>(3)</sup> utilizes a nationwide GPS tracking system that not only works 24/7 to keep track of your vehicle, but also helps recover your vehicle in the event of a theft. Optional upgrade plans include Emergency Service Dispatch, Security Fence, Arrival/Departure Notification, Excessive Speed Notification, Trace Maps of Past Locations and much more. Features such as setting speed and distance parameters with text alerts, unlimited online tracking and full concierge service are also offered.

**ADDITIONAL ACCESSORIES:** Cargo Tote, Master Shield® Car Care Products, Premium Vehicle-Care Products, Trailing Accessories, Golden Eagle Hood Decal and Jeep® Storage Bags.

**ADDITIONAL PERFORMANCE PARTS:** Ring and Pinion Gear Sets.

**REMOTE START.<sup>(4)</sup>** Hit the ground running with the ability to start your vehicle from a distance with the touch of a button. The system operates seamlessly with your vehicle's factory electronic security system.

✓ **COWL VENT.<sup>(5)</sup>** This vent is designed to improve airflow and keep out debris. Constructed of durable ABS plastic and features an attractive Black paintable finish.

✓ **BATTERY BLANKET.** Blanket electrically warms the battery to help extend battery life and prevent loss of starting power due to cold temperatures. 80-watt battery heater.

✓ **MOULDED SPLASH GUARDS.** These guards match the wheel flares' Black finish and feature the Jeep® brand logo. Sold in pairs, for front or rear of vehicle.

^ **KICKER® SOUND SYSTEMS.** KICKER® speakers and upgrade packages have been designed specifically for your Jeep® brand vehicle, so you get automotive sound the way it was intended. And best of all, KICKER parts install easily: bolt them in and then plug them in. No cutting or soldering is required!

^ **HOOD PROP KIT.** The Hood Prop Kit allows for easy opening and closing of your Wrangler's hood by eliminating the single hood prop rod. This Authentic Jeep® Accessory holds your hood open at a convenient angle and includes two gas struts and mounting hardware.

^ **LOCKING FUEL CAP.** A little extra measure of security after filling up. This kit includes a Black quick on/off, quarter-turn, locking fuel cap and two keys.

<sup>(1)</sup> Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone.

<sup>(2)</sup> Phone must support Bluetooth Phone Access Profile (PBAP). <sup>(3)</sup> Guidepoint subscriptions governed by Guidepoint, terms and conditions available at [www.guidepointsystems.com](http://www.guidepointsystems.com) (sign-in required). Optional features subject to additional fees. <sup>(4)</sup> Check provincial and local laws on the use of remote starters. <sup>(5)</sup> Mopar Performance Parts are sold "as is" unless otherwise noted.
